

Western Law Internship Program (WLIP)

Why an internship?

- Gain valuable legal experience.
- Expand your understanding of different legal systems.
- Create a network for the future.
- Enriched educational experience that opens a new world of opportunities.

Funding:

- The WLIP provides financial support through stipends which range from \$10,000 to \$15,000.
- The Faculty is very grateful to numerous generous donors and firms that make contributions towards WLIP placements.

Internships are typically for 8 to 12 weeks from May to July.

The Call for Applications is released in December and the deadline is in January.

Exchange Program

Western Law has established **exchange partnerships with 20 leading law schools around the world.**

- **One in five** Western Law students participate during their J.D.
- Benefit from expanded curriculum options.
- Take advantage of exciting travel opportunities.
- Experience a new culture!

Information sessions about the exchange program are held each fall and all interested J.D. students are encouraged to attend.

The Call for Applications is released in mid-November with the deadline in January.
